To Whom It May Concern:

Over the last 3 1/2 years I have had the privilege of working with Fruchtman Marketing on several projects and have been very pleased with their performance. I am continually amazed at the creativity of the staff and it has been a pleasure to work with professionals who truly know the meaning of efficiency.

Most recently, the staff of RELEV8/Fruchtman Marketing helped us redesign our local American Red Cross website. We were in dire need of a fresh, updated look and easier navigation. From concept to completion, they have been with us every step of the way, ensuring the success of our vision.

We have always been able to rely on the flexibility and courteous service of Fruchtman Marketing. The staff has consistently made extra efforts to assist us in completing projects to our satisfaction.

I look forward to working with Fruchtman Marketing and RELEV8 for many years to come.

Sincerely,

Jodie Tienvieri
Communications Manager
